.....

.....

Declaration

All material facts must be disclosed to Underwriters whether or not the subject of a specific question above. A material fact is one which a prudent Underwriter would be regard as likely to influence the acceptance or assessment of the proposal. Non-disclosure or misrepresentation of material fact may result in the insurance being void. If you are in any doubt about whether facts would be considered material, you should disclose them.

I declare that the particulars and answers are correct and complete in every respect to my knowledge. I agree that this declaration shall form the basis of the contract of insurance between me and the Underwriters if a policy is issued.

I further declare and agree that if the statement and particulars above have been completed in the handwriting of any other person than the undersigned, such a person is deemed to be the agent of the proposer for the purpose of completion purposes.
